As in previous years, the highlight of Club Week will be the Cadet Days, which will take place on **Wednesday**, **Thursday** and **Friday**. With the huge success of the last few years in mind, if you are interested, remember to book early - entry will be strictly limited to 70 youngsters (up to the age of 18) for health and safety reasons, so please use the form above to book your children in, and send your completed forms and entry fee to Matt Hickson as detailed on the form above.

Priority will be given to existing cadets and close family relatives of members (children, grandchildren and nephews and nieces), and bookings will only be accepted from these applicants up until **FRIDAY 23rd JULY**. The charge for this group will be £5 per head - to include a prize, ice cream and a souvenir Tee Shirt.

Following the priority-booking period, any remaining places will be offered on a first-come-first served basis to all comers at a charge of £50, which will cover the cost of the event and give them membership for the remainder of the year.

Please note that all participants must be accompanied by a named responsible adult, the only exception being existing (i.e. experienced) cadets over the age of 12.

This huge fun event does rely very much on the efforts of the volunteer helpers and, even if you do not have a youngster involved and have some time to spare, please sign up on the volunteer sheet that you will find in the clubhouse. If you can't get down the club please get someone to sign up for you.
