

Herne Bay Sailing Club

Centenary Year

Build-a-Craft Competition

As part of the Centenary Celebration the Club plans to hold a Build-a-Craft competition. This will be held during Club Week at a date to be decided. Teams will be challenged to build a boat or raft from everyday materials and then paddle/sail the craft around a course (no engines allowed!). The winner will be the best time to complete the course.

Rules

1. Teams of 4 with at least one member under 18.
2. The craft must carry at least 2 team members around the course.
3. Craft must be constructed of everyday materials – not boat parts. Judge's decision will be final. Paddles allowed.
4. Craft to be constructed and launched from the beach. Location to be decided on the day.
5. 3 hours to be allowed for construction/finishing.
6. Pre-preparation of craft before the competition day is allowed.
7. Course length will be 100 metres and number of craft on the water at any one time will be decided on the day and will be dependent on prevailing conditions.
